

Governors Club *Life at its best in Chapel Hill, North Carolina*

Welcome to this 1,600-acre gated community and member-owned country club.

It all started in 1987 with an extraordinary 1600 acres of property:

- The 667-foot Edwards Mountain offers beautiful ravines, streams, woods and lakes
- More than 960 homes have been built, most with views of the golf course, woods, a lake or pond
- Fewer than 250 lots remain undeveloped, and provide the opportunity for new home construction.

All this creates an unusual sense of privacy and serenity that attracts residents from all over the U.S. and the world. Just minutes from everything, Governors Club remains an oasis of natural beauty and privacy. Most residents join the award-winning Governors Club Country Club to take advantage of:
